About Ronald McDonald House Charities of Phoenix

For the past 20 years, Ronald McDonald House of Phoenix has offered a comfortable, welcoming and affordable haven for families who come to this "home-away-from-home." The families stay for days, weeks, sometimes months at a time, while their children undergo medical treatment at Valley hospitals. They are asked to pay just \$10 a day to stay at the House, but no family is ever turned away because of its inability to pay. The Phoenix House can accommodate up to 45 families at any one time and serves more than 1,200 families a year. Ronald McDonald House Charities of Phoenix is a non-profit organization supported by individual, corporate and foundation donations.
